

Texas Democratic Party Online Voter File License

This Agreement, made and entered this _____ day of _____, _____, by and between the Texas Democratic Party (TDP), known as the Licensor, and _____, known as the Licensee, witnesseth:

Whereas, Licensor has agreed to provide Licensee, pursuant to a nonexclusive license to utilize an online voter file database known as the Texas Voter Activation Network (Texas VAN);

Whereas, Licensor seeks to protect its intellectual property rights in the database;

GRANT OF LICENSE. Licensor hereby grants Licensee, subject to the terms and conditions of this License and the Online Voter File Use and Access Policy, a nonexclusive, nontransferable license to use the Texas VAN to produce voter contact lists and other materials for use by such Licensee for its own political operations and any other purpose permitted by this License. Licensor has the right to revoke this License, for any reason. Licensee agrees to follow all terms established by the Online Voter File Use Policy and any addendums released by the TDP. Licensee is bound by the terms of this License and the Online Voter File Use Policy even if the License has not yet been signed by the Licensee or received by the Licensor. This License is in effect for as long as the Licensee has access to the Texas VAN.

CONFIDENTIALITY. Licensee agrees that the voter file data is confidential. Licensee will not sell, provide or disclose any of the data from this file to any person other than the Licensor without the express prior written approval of Licensor. Upon request after completion of this agreement, all information maintained by Licensee will be returned to Licensor; and the Licensee will not retain any voter file data in any format unless and except as authorized to do so by the Licensor. Any Licensee who breaches this confidentiality agreement shall immediately forfeit this License and shall return or destroy any voter file data or products immediately.
